Dear Tenant,

Re: EFT registration

We would like all our clients to be aware of our EFT/Cash service we offer.

Ideal customers can now register for EFT/Cash payment on our website www.idealprepaid.co.za and save the 4% service charge.

Steps to follow to register online:

1. Go to www.idealprepaid.co.za and choose the “register for EFT payments”. Complete the necessary fields. Registration will take up to 24 hours. Once your registration is done you will receive an e-mail from Idealprepaid confirming your registration. Detailed steps are below
2. You then can either do an EFT or cash deposit with your meter number as reference to any of the banks below.
3. You will receive your token automatically via sms.

If you are not able to register online, please call the office at 086-114-3325 and ask for the Service Department and they will register you over the phone. Once you are registered, you can make a cash deposit to any of the banks below using your meter number as the reference and you will receive your token automatically via sms without the 4% service charge.
